6.1.	In the event of two or more identical bids, the contract may be awarded arbitrarily or for any reason to any of such bidders, or split in any proportion between the said two or more bidders at discretion of the County. In all cases where there are identical bids preference shall be given to residents or firms located and doing business in the county.				
7.	Default

8.1.	The County reserves the right to reject any and all bids, accept in whole or in part, to waive informalities in bids received, to accept bid with or without trade-in, to accept bids on materials or equipment with variations from specifications in those cases where efficiency of operation will not be impaired, and unless otherwise specified by bidder, to accept any item in the bid. If unit prices and extensions thereof do not coincide, the County may accept the bid for the lesser amount whether reflected by extension or by the correct multiple of the unit price.				
9.	Performance Guarantee
