TERMS AND CONDITIONS

This order is subject to the following terms and conditions:

1. The seller reserves the right to accept or reject this order and shall not be required to give any reason for non-acceptance.
2. This order when accepted by seller shall become a binding contract but shall be subject to strikes, lockouts, accidents, fire, delays in manufacture or transportation, acts of God, embargoes, or Governmental action or any other causes beyond the control of the seller whether the same as, or different from the matters and things hereinbefore specifically enumerated, and any of said causes shall absolutely absolve the seller from any liability to the purchaser under the terms hereof.
3. Except where title is transferred and the seller takes back a contract, title to and right of possession of said machines shall remain vested in the seller until all indebtedness and all sums due or to become due from the purchaser, whether evidenced by note, book account, judgment, or otherwise, shall have been fully paid, at which time ownership shall pass to the purchaser.
4. The seller's responsibility for shipments ceases upon delivery to transportation company, and any claims for shortages, delays or damages occurring thereafter shall be made by the purchaser direct to the transportation company.
5. The purchaser agrees that this order shall not be countermanded by him, and that when it is accepted (and until the execution and delivery of the contract or contracts and note or notes required to consummate the sale as above specified) it will cover all agreements between the parties relative to this transaction, and that the seller is not bound by any representations or terms made by any agent relative to this transaction which are not embodied herein.
6. When the machines necessary to fill this order are available, the buyer agrees on demand to execute and deliver to the seller such notes and contracts as may be required by the seller to evidence the transaction. In the event that the buyer fails to execute and deliver said notes and contracts to the seller, the entire balance of the purchase price shall at the seller's option become immediately due and payable.
7. The seller shall not be held liable or responsible for any damages, whether on account of personal injuries or otherwise suffered or sustained in the operation of said machine, nor for any damages resulting to the purchaser by reason of any delays or any alleged failure of said machine to operate, nor for any implied warranties. Any used or second-hand equipment included in this order is sold without any warranty whatsoever, express or implied (except that the seller warrants title), unless said warranty is set forth in full in the section on page 1 of this document entitled WARRANTY ON EQUIPMENT EXTENDED BY SELLER, USED EQUIPMENT and is Initialed by both of the parties hereto.
8. The liability of said seller insofar as new Caterpillar Products (to include Machines, engines, Attachments and Parts manufactured by Caterpillar Tractor Co.), are concerned, shall be limited to the warranty which the buyer accepts in lieu of any and all warranties by the seller whether express or implied as set forth on Caterpillar Warranty Forms.
9. The liability of the seller insofar as all other new products (other than Caterpillar products), machines, engines, attachments and parts are concerned, shall be limited to the Manufacturer's warranty thereof, if any, and which the buyer accepts in lieu of any and all warranties by the seller, whether express or implied.
10. To the extent this equipment is equipped with a telematics system, such as Product Link, I understand data concerning this machine, its condition, and its operations is being transmitted by Product Link to Caterpillar and/or its dealers to better serve me and to improve upon Caterpillar products and services. The information transmitted may include: machine model, serial number, location, and operational data, including but not limited to: fault codes, diagnostic data, emissions data, fuel usage, service meter hours, software and hardware version numbers, and installed attachments. Caterpillar recognizes and respects customer privacy and will exercise reasonable efforts to keep the information secure. I agree to allow this data to be accessed by Caterpillar and/or its dealers.
