Upon reviewing all bids, all bidders have similar 12 month bumper to bumper vehicle warranties and similarly, all bidders have local repair facilities and parts warehouses.					
There were some exceptions on some of the bid specifications from some bidders. All bids were very competitive in pricing and equipment. Input in bid review was					
received from the purchasing department, county judge, road superintendent, road shop foreman, and road foreman. Craighead County Road Department has a					
large number of same make of large vehicles in their fleet. Shop mechanics and shop foreman are familiar with truck repairs and repair parts and many of these items					
can be purchased in bulk at a substantial savings without purchasing and stocking multiple parts for various types of equipment, thereby saving a substantial amount of					
money over the life of the vehicle. The county has had excellent service with the current fleet of Freightliner trucks. With all things considered and evaluated by county officials,					
it is determined that the best overall value for Craighead County is Freightliner as offered by Tag Truck Center of Jonesboro, Arkansas as outlined above.

EXTENDED SERVICE COVERAGE

Terms of Coverage

Detroit Diesel Corporation ("Detroit") offers the following Extended Service Coverage options for Detroit™ engines. Only engines that are sold at retail and used in the U.S. and Canada are eligible for coverage. In addition, the Extended Service Coverage Level provided and the applicable Coverage Period may vary. Please review the Power Protection Plan ("P3") registration materials for details.

Under the Extended Service Coverage plan, Detroit will pay for the parts and labor necessary to repair a Covered Component that fails during normal use and service due to defects in material or workmanship ("Covered Failure") and that is reported to an authorized Detroit service outlet during the Coverage Period. Extended Service Coverage includes the removal, repair, or replacement of the Covered Component and the replacement of service supplies, i.e., coolant, belts, oil, when not reusable as a result of a Covered Failure, and includes the repair of progressive damage to any engine part resulting from a Covered Failure. All repairs must be performed by an authorized Detroit service outlet.

The applicable Coverage Period begins after the new product warranty for the Eligible Product expires, and ends when the time or distance limit specified in the P3 registration materials is reached (whichever occurs first). Time and distance limits are measured from the date of delivery to the first retail purchaser. Any remaining Extended Service Coverage will automatically transfer to subsequent owner(s).

The following table shows the Covered Components associated with each Extended Service Coverage Level:

Coverage Level	COVERED COMPONENTS
EW1	<p>Engine Components: air inlet manifold, air intake throttle valve, alternator bracket*, belt tensioner, camshaft assembly (including seals), cold pipe assembly, connecting rod, bearings and bolts, cooler inlet pipe, crankshaft breather oil separator, crankshaft thrust washer, cylinder block, cylinder head assembly, cylinder head gasket, cylinder liner, EGR system, engine-mounted sensors, exhaust manifold and bellows, fan support assembly, flywheel, housing and gasket, fuel filter housing, gear case, gear train, gear train / timing case gasket, high-pressure fuel system and lines, hydraulic pump*, integrated engine brake, low-pressure fuel pump, main bearing bolts, main bearings, MCM/CPC, oil cooler housing and gaskets, oil pan and seals, oil press regulator and relief valves, oil pump, pistons (rings, pins, retainers), rocker arm assembly, rocker cover and seals, thermostat housing and gasket, turbo compound device and coupling, turbocharger outlet elbow, valves (exhaust, intake), valve springs, guides, inserts, vibration damper, water pump (excludes water pump seal)</p> <p>*if supplied by Detroit</p>
EW2	<p>all EW1 components plus:</p> <p>Additional Engine Components: air compressor**, fuel injectors, turbocharger, water pump seal</p> <p>**air compressor covered under EW2 for GHG14; for EPA10 covered under EW3</p>
EW3	<p>all EW2 components plus:</p> <p>Additional Engine Components: seals - front and rear crankshaft</p> <p>Aftertreatment Support System Components: aftertreatment pressure sensors, aftertreatment temperature sensors, aftertreatment control module, DEF pump / metering unit / injection unit, electrical harness and connectors*, hydrocarbon fuel line, hydrocarbon injection valve, hydrocarbon metering unit, aftertreatment NOx sensors</p> <p>*if supplied by Detroit</p>

Extended Service Coverage Does Not Cover

Extended Service Coverage does not cover any of the following:

1. The replacement of normal maintenance items as outlined in the Engine Operator's Guide (such as filters, belts, hoses, air cleaners, and fluids);
2. Performance of engine tune-up unless required due to the failure of a Covered Component.
3. Parts not furnished by Detroit, or parts furnished by another manufacturer or equipment supplier as part of the original vehicle or equipment. Examples of such parts may include air cleaners, air cleaner ducting, radiator, and radiator connections.
4. Progressive damage to any part, including Covered Components, resulting from a failure of a part not covered by this Agreement.
5. Failure due to misuse, negligence, accident, alteration, misapplication, lack of proper maintenance, or the use of parts not approved by Detroit.
6. Repairs or replacement of Covered Components not performed by an authorized Detroit service outlet.
7. Failures covered by a repairing outlet's guarantee.
8. Loss of time, loss of use of the product, inconvenience, lodging, food or other consequential loss that may result from a failure.
9. Towing, overtime, mechanic's travel time and/or mileage, storage, or freight charges.
10. Failures attributable to wear-out.
11. Repairs to non-covered parts. Loss of time, loss of use of the vehicle, inconvenience, lodging, food or other consequential loss that may result from a failure.
12. Other charges or work not directly related to the repair or replacement of a warranted part, including but not limited to: federal, state, provincial, and local taxes; travel expenses; loss of revenue; customer labor, including overtime labor; downtime; driver's expenses; cost of rental equipment; loss of cargo, including perishable cargo; general housekeeping supplies (i.e., rags, solvents, sweeping compounds, coveralls, etc.); communication charges; repair or replacement of optional items not sold or installed by DTNA; removal or replacement of dealer, bodybuilder, or customer installed equipment; environmental fees, cleanup, or other charges; cost of emergency services; or towing/roadside assistance, overtime, mechanic's travel time, and/or mileage/kilometers.

Owner Responsibilities

The Owner of the Eligible Product is responsible for the following:

1. The performance of regular maintenance services as specified in the Engine Operator's Guide;
2. In the event of a failure, the Owner must: a) use all reasonable means to protect the engine from further damage; b) notify an authorized Detroit service outlet of the failure as soon as possible; provide the Detroit service outlet or Detroit with any information reasonably required.

Dear Al,

We appreciate this opportunity of giving you a quote on one 2021 International HV513 SFA (HV51300). We are proud to represent International Trucks and know that we offer the best product in the industry.

We are also proud of what Summit Truck Group can offer Craighead County in the way of services and optional equipment. Consider the following:

Our Service Department is open 24 hours per day, 7 days a week. We stock over \$2,000,000 in parts inventory. We offer full service leasing and rental of vehicles. We can provide 24 hour-a-day wrecker service. We offer Fuel and Over-Dimension Permits by wire. Finally, we offer a full selection of financing options from conventional finance to lease.

When you combine all of the features that Summit Truck Group offers you with the strength of almost a thousand International dealers coast to coast, the answer is obvious:

The Right Product + The Right Dealership = The Right Decision

Thanks again and we look forward to completing this order. Please let me know if you have any further questions.

Sincerely,

Roger Wiley
