November 14, 2016 Quorum Court Meeting

13 Justices of the Peace Present

Judge Ed Hill called the meeting to order at 5:30pm.

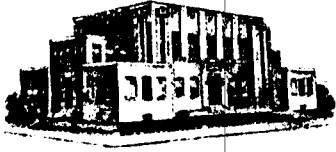

Christa Eldridge of the Arkansas Community Corrections office spoke about her role in the community, specifically dealing with the Reclamation House in Jonesboro. She spoke about looking at potential fostering a partnership with Craighead County to help fund additional trainings similar to what the specialty court individuals with the county attend as she receives a number of similar individuals in her programs. Some questions were posed such as looking for private funding and donors; as well as, what exactly was she proposing for the court to pay for and a dollar figure attached to that. More info will be provided during the budget meetings starting to occur next week.

The legislative audit was mentioned and it was stated by County Judge Ed Hill that the audit was very clean except for the JP pay issue that is being corrected currently.

The budget process is slated to begin in the coming week and the members of the budget committee will be: Chair Josh Longmire, Terry Couch, Billie Sue Hoggard, Jim Bryant and Steve Cline

With no further business to be discussed Justice Terry Couch motioned to adjourn the meeting into committees with a second from Justice Richard Rogers, all were in favor and the meeting stood adjourned at 5:55pm.

Road Superintendent Eugene Neff distributed the monthly road report. – *Appendix 1*
