

QUORUM COURT MINUTES

07/13/2020

July 13, 2020 Quorum Court Minutes

13 Justices of the Peace were present.

Judge Day called the meeting to order at 5:30 p.m.

First order of business was to accept minutes from the Quorum Court meeting June 22, 2020 and the Special Road Committee meeting. Justice Longmire made a motion to accept the minutes as prepared and Justice Pasmore seconded the motion. Judge Day took a vote and the motion unanimously passed.

There was no other OLD or NEW business.

Announcements: Judge Day reported there had been 12 applicants for the County Clerk position. Judge Day believed 3 applicants would not be eligible because they were not residents of Craighead County. At court request Judge Day read the list of applicants and then stated a list would be made available by email to each Justice. Applicants were Andrew Stricklin, Tracy Tolbert Perrin, Jennifer Clack, Shelly Foulkes, Amanda Dunivant, Linda Denny, Cheryl Prom, Lesli Penny, Jamie Pruitt, Mitchell Tipton, Nancy Robbins, and Monica Brodie.

Public Comment: Patty Lack, Craighead County citizen, stated she had concerns brought to her attention by another citizen regarding a ditch in the Richardson and Colony area. Ms. Lack was given information that dirt was being hauled in and reducing the ditch to half size. Justice Cook stated that the area was in his district and he believed they were leveling the field off Richardson. Justice Cook also stated that the area was in Jonesboro city limits. Once location was determined as city, Judge Day moved on to the next public comment.

Bryce Holmes, Craighead County citizen, has heard some talk of redoing their road and wants to voice homeowner's frustration about the thru traffic issues due to development and severe dust problems on CR 751. Mr. Holmes also brought concerns and questions whether the homeowner's ability to raise their 25% (\$67,000) of the funds needed to asphalt the road and asks again if the County would reconsider assisting the citizens. Mr. Holmes also asks if the developer has an engineer plan for the roads and whether the culverts are appropriately sized on the existing road. Judge Day offered to give him a copy of the plan.

With no other public comment, Justice Cook made a motion to adjourn to the committees and Justice Forest seconded that motion. Judge Day took a vote and the motion unanimously passed.

Full Quorum Court was dismissed at 5:52 p.m.
