July 8, 2019 Quorum Court Minutes

All Justices of the Peace present.

Judge Day called the meeting to order at 5:30 p.m.

The first order of business was the approval of the June 24, 2019 meeting's minutes. Justice Weinstock made motion to approve the minutes and Justice Pasmore followed with a second. The motion unanimously passed.

Old Business: None to Discuss.

New Business: None to Discuss.

Announcements: Judge Day opened the floor to the Court for questions or concerns. Justice Longmire asked for updates on Bono Lake Dam. Judge Day informed the Court that we received a recommendation letter from Carl Garner that offered two solutions. A temporary fix or a long-term fix. Judge Day went on to say that the soil from Bono Lake Dam is being tested to see if the soil is able to grow grass. Judge Day stated that the test results will help determine the best and most cost-efficient way to move forward with the repairs to the Bono Lake Dam. There were no further concerns regarding the repairs to the dam. Judge Day also informed the Court that the CSU (Crisis Stabilization Unit) is coming along very well and mentioned that within the next couple of weeks we will be sending out memorandums of understanding to other counties regarding their usage of the Craighead County CSU. There was no further discussion.

With no other business to discuss Justice Cline made a motion to adjourn the meeting. Justice Williams followed with a second. Judge Day adjourned the meeting at 5:36 p.m.
