

Craighead County Press Release
December 2, 2021

On Monday morning, December 6, 2021, the Craighead County IT Department will be installing equipment at the Lake City Courthouse/Eastern Annex, 113 Cobean Blvd, Lake City and at the Road Department, 2800 Moore Road, Jonesboro, with work beginning at 6:30 am.

The installation, barring any unforeseen issues, should take approximately 4-5 hours. During the installation, the internet and phones will not be available for most of the Lake City Courthouse/Eastern Annex and the Road Department until the installation is completed.

Some phone at the Lake City Courthouse and the Road Department will be available during this time.

Lake City Sheriff's Office - 870-237-4511
District Court-Eastern Division - 870-237-4142
Road Department - 870-933-4511

Due to the lack of internet, there will be limited services available for the public.

We appreciate your patience during this time.
